## **Child Care Workers - Casual**

**Department:** Children's Services, Child Care  
**Reports To:** Centre Supervisor

Manitoulin Family Resources is expanding our team; we are looking for energetic, dynamic individuals who are looking for a career where you can make a positive impact on children. We believe quality children's programming is based on building positive relationships through the four foundations set out in the Ministry of Education's "How Does Learning Happen?", ensuring a sense of belonging, well-being, expression and engagement for the staff, children and families. We provide a positive work environment where you can grow and learn in your own leadership through continuous professional learning opportunities in the Early Childhood Education field.

We are looking for casual staff to cover in both our Little Current and Mindemoya Child Care Centres. Casual positions allows flexibility in hours of work, build seniority, and have many training opportunities.

This position has physical requirements such as lifting and physical play with young children.

This position is a permanent, casual position within the union. Flexibility in scheduling will be required to meet the needs of the centres.

Copies of the following will be requested from the **SUCCESSFUL** candidate. CPIC/VSS, Driver's License and Abstract, First Aid certification, and up to date immunizations.
